

# Toledo Dental Hygienists' Association

## "Bisphosphonate Review for the Dental Hygienist" (2 CEU)

By Ziad N. Tohme, DMD, DSc

This 2 hour CE will discuss the following:

1. Bone Metabolism - normal (natural)
2. Osteoporosis - problems, morbidity, mortality
3. Need for bisphosphonates
4. Generations of bisphosphonates
5. Impact & side effects of bisphosphonate medications on the oral cavity and the body
6. Management of patients taking bisphosphonates
7. Easy protocol for the dental hygienist

Dr. Tohme obtained his DMD Degree from Boston University, Goldman School of Dental Medicine in 1991 where he was involved in research training in the Department of Oral Biology. He went on to obtain his PhD from Eastman Dental Center, University of Rochester in 1995 while receiving advanced training in periodontology and his Doctor of Science degree in Periodontology from Boston University in 1998 where he served as an assistant professor of periodontics from 1998-2000. He has served as a Diplomate for the American Board of Periodontology since 2001, a Diplomate for the Michigan Board of Periodontology since 2001, the advisory Board of Owens Community College Department of Dental Hygiene since 2006 and has served on the Board of Directors for the Toledo Dental Society. He is currently the sole proprietor of Toledo Periodontics in Toledo, Ohio and Monroe, Michigan. Dr. Tohme enjoys membership with the American Academy of Periodontology, The American Dental Association, The Academy of Osseointegration, The American Association of Dental Research, the Massachusetts Dental Society, the Ohio Dental Society, The Ohio Periodontal Society, The Midwest Dental Society, The Russell W. Bunting Periodontal Society and The Straumann Alliance President's Club. He has published numerous articles and founded the Miles For Smiles 5K race in 2008.
